NO TONNEAU IS 100% WATERPROOF - This tonneau has been rigorously tested under various types of car wash systems with minimal water entry.

GB APPLICATION: DODGE RAM (09+)

- The Fold a Cover kit is required for use with this hardware kit.
- Temperature should be no lower than 70°F (21.1°C) when installing.
- Be sure the truck is setting on a level surface.
- Apply a dab of blue thread lock to each fastener before use.
- Record the key number and place in glove box or write it in your owner's manual.
- Refer to the Operation and Care Label located on the underside of the rearmost panel on cover (driver's side).
- Product should NOT be installed if vehicle is equipped with overrail bedliner.

E APLICACIÓN: DODGE RAM (09+)

- Se requiere el juego Fold a Cover para utilizar este juego de piezas.
- La temperatura no debe ser inferior a los 21.1°C (70 °F) durante la instalación.
- Asegúrese de que la camioneta esté en una superficie plana y horizontal.
- Aplique una pizca de sellador de rosca a cada fijador antes de ponerlo en uso.
- Registre el número de la llave y colóquelo en la guantera o escríbalo en su Manual del propietario.
- Consulte el rótulo de Operación y cuidados ubicado en el lado de abajo del panel extremo posterior de la cubierta (del lado del conductor).
- Este producto no debe ser instalado si el vehículo está equipado con una camisa de caja del tipo que cubre los largueros.

F APPLICATION : DODGE RAM (09+)

- L'ensemble " Fold-a-cover " doit être utilisé avec cette trousse de matériel.
- Lors de l'installation, la température ne doit pas être inférieure à 21.1°C (70°F).
- Assurez-vous que votre camion se trouve sur une surface plane.
- Enduisez chaque élément de fixation de colle frein avant l'utilisation.
- Notez le numéro de code et laissez-le dans la boîte à gants ou inscrivez-le dans votre manuel du propriétaire.
- Consultez l'étiquette Fonctionnement et entretien (Operation and Care) située sur la face antérieure du panneau arrière, sur le couvercle (côté conducteur).
- Le produit ne doit pas être installé si le véhicule est équipé d'une doublure de caisse montée sur le longeron.

Molded Bedrail Cover Supplement

Do This First!

On some applications the Molded Bedrail Cover needs to be modified to access the Front Stake Pocket Opening. Using the detail molded into the cover (shown below), scribe lines as dimensioned below. The final opening size will be 35mm X 50mm..... using a utility knife, carefully cut out the dashed line and remove that material section.

1

REMOVE PAPER LINING FROM FOAM TAPE
 RETIRE LA GUARNICIÓN PAPEL DE CINTA DE ESPUMA
 RETIRER DOUBLURE DE PAPIER DE RUBAN MOUSSE

2

REAR STAKE POCKET

DO NOT FULLY TIGHTEN.
 NO CEÑIR COMPLETAMENTE.
 NE SERREZ PAS LES VIS TOTALEMENT.

FRONT/CENTER STAKE POCKET

3

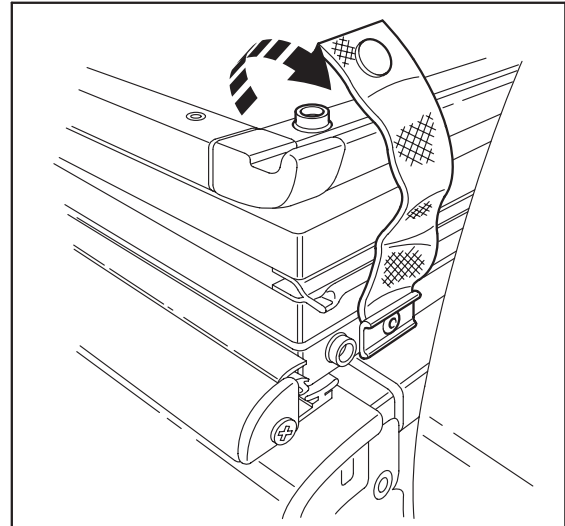

LOCATION Z

4

LOCATION(S) Y

Apply a coat of Armor All, or equivalent, to the front seal to assist in proper positioning of the seal during installation.

5

6

CENTER THE COVER AND SIDE RAILS EVENLY ONTO THE TRUCK BOX.
DIM "A" = DIM "B"
