HOUSSES DE SIÈGE

GB

- Area to be covered by seat cover must be clean and completely dry prior to installation.
- Hand clean seat covers using mild soap, rinse thoroughly with clean water, and line dry completely. Do not machine dry!
- WARNING: Manufacturer will not be responsible for damage to product due to accident or misuse.

E

- El área que se cubrirá con un protector para asientos debe estar limpia y completamente seca antes de su colocación.
- Limpie los protectores de asientos a mano con jabón suave, enjuáguelos con agua limpia y tiéndalos hasta que se sequen por completo. No utilice secadora automática.
- ADVERTENCIA: El fabricante no se hará responsable por daño al producto debido a un accidente o al uso incorrecto.

F

- La surface à recouvrir avec la housse doit être propre et complètement sèche avant l'installation.
- Nettoyer les housses à la main avec du savon doux, bien rincer avec de l'eau propre et suspendre pour les faire sécher complètement. Ne pas sécher à la machine!
- AVERTISSEMENT : Le fabricant n'est pas responsable des dommages causés par des accidents ou une utilisation abusive.
