Before installation on vehicle, inspect rubber gasket for wavy spots. Carefully roll the gasket towards the exterior side of the fender flare in order to improve the gasket fit.

Avant d'installer le produit sur le véhicule, vérifier s'il y a des endroits ondulés sur le joint en caoutchouc. Faire rouler le joint en caoutchouc vers le côté extérieur de l'élargisseur d'aile afin d'améliorer l'ajustement.

Antes de la instalación en el vehículo, inspeccione la junta de caucho en busca de manchas onduladas. Coloque con cuidado la junta hacia el lado exterior de la extensión del guardabarros para mejorar el ajuste de la junta.

7

Notice on the back side of each fender flare that it is marked RF for Right Front, RR for Right Rear, etc.

Les marques RF pour l'avant droit, RR pour l'arrière droit, etc. figurent à l'arrière de chaque élargisseur d'aile.

Observe que la parte de atrás de cada extensión de los guardabarros está marcada con RF que indica parte delantera derecha, RR que indica parte trasera derecha, etc.
