

Under Car & Hood Accessories - Suspension - Lift Kits - Ram 2500/3500 (4WD)

Part Number P5155394

New coil springs specifically rated for engine type, are matched with your choice of Performance shocks (gas front / hydraulic rear) in a white enamel finish, or our Bilstein monotube high-pressure gas shocks that feature a silver Zinc finish. Includes a dual steering stabilizer kit with cylinders matched to your choice of lift kit shocks.

Shock Options:

Performance shock is a twin-tube, high capacity hydraulic shock that features tenstage velocity sensitive valving. White enamel finish; includes black boot.

Mopar's premium shock, jointly tuned with Bilstein, allows you to realize the most performance gain. The seamless monotube body contains a patented piston design and a high-pressure gas charge to quickly dissipate heat and minimize shock fade. Silver Zinc plated finish; includes black boot.

WARNING: Lift Kits alter vehicle properties and affect handling. Lift kits are intended to be used for off-road driving only. Your kit will come with more detailed instructions and warnings. Contact the Mopar Direct Connection Tech Line (888-528-4364) to obtain a copy.

NOTE: Vehicle RPM and speedometer readings are based on the stock vehicle's tire and wheel combinations. Installing larger wheels and tires with your Mopar Performance lift kit could result in incorrect RPM, speedometer and odometer readings.

WARRANTY: Lift Kits work with all vehicle systems including the Electronic Stability Program, and are covered by a Limited Lifetime Warranty. The warrantor is the Lift Kit manufacturer, not Mopar, Fiat FCA US Automobiles, or the dealership selling the product. Contact the Mopar Direct Connection Tech Line (888-528-4364) for warranty details and installation instructions.

Mopar Performance 2" Front Suspension Leveling Kit, includes two inch spacers and bump stops

Install Time: 2.5 hrs.
